M E S S A G E

On the occasion of the Sixty Fifth Independence Day, I extend my heartiest wishes to the people of the U.T. of Puducherry.

In our journey spanning over six decades, the Country has progressed from strength to strength. But we still have miles to travel to achieve the dreams and visions of the founding fathers of our great nation. On this solemn occasion let us rededicate ourselves to the cause of nation building.

Wishing the citizens of Puducherry peace, prosperity and happiness on this momentous occasion.
