GREETINGS

Christmas marking the birth of Jesus Christ is a time of goodwill, apart from joy and rejoice. It offers hope for the future. Let us resolve to follow the tenets the festival stands for i.e., universal brotherhood, peace and compassion.

On the merry and auspicious occasion of Christmas, I extend my best wishes and greetings to the people of Puducherry.

A handwritten signature in black ink, appearing to read 'Iqbal Singh', is positioned above the printed name.
