## G R E E T I N G S

On the auspicious occasion of "Diwali", I extend my warm greetings and best wishes to the people of Puducherry. The illumination of lamps lit during the festival signifies hope over despair and victory of dharma. Let us on this occasion resolve to share the joy of festival with the needy and bring cheer in their lives.

I wish the colourful exuberance of Diwali ushers in peace, joy and health in the lives of the people.
